

BOY SCOUT CHEMISTRY MERIT BADGE

Ages 10 to 18 and a registered Boy Scout

Complete all requirements for the Chemistry Merit Badge in a two session workshop. The first session includes laboratory experience. Choose one of three locations, the College of DuPage in Glen Ellyn or Oakton Community College in Des Plaines or College of Lake County in Grayslake. The second session will be held on October 23 at Loyola University in Chicago and is necessary for completion of this merit badge. It will include an opportunity to talk to industrial chemists as well as completing the remaining requirements. Register with the Chicago Section American Chemical Society on their website:

<http://www.chicagoacs.net/ChemDay/meritBadge/MeritBadgeRegistration.html>

and indicate which location you will be taking the 1st session at. Registration opens August 1. Instructions will be sent prior to the workshop for each boy registered. There are a limited number of scouts allowed each location so please register early. Deadline for registration is October 1 (no exceptions this year).
